The sponsoring association of StimbergZWERGE daycare center

As a registered non-profit association we see ourselves as a platform for parents, grandparents, relatives and friends who would like to participate in various ways in the promotion and support of the children and the StimbergZWERGE daycare center.

This is done, for example by:

- * Purchase of play equipment**
- * Aquisition of furnishings**
- * Financial support for excursions**
- * Investments in play and work materials**

Our goals

The association promotes and supports the StimbergZWERGE daycare center.

We help financing and organizing events, activities and various purchases, to provide the children with even more exciting, varied and educational experiences. All proceeds and donations go exclusively to the children at StimbergZWERGE.

In order to achive our goals, in addition to various contributions and donations, we organize waffle sales, children's flea markets and more.

We look forward to your suggestions or any initiative on your part.
